INSIGHTS  
**FORECASTING THE  
FASHION AMBITIONS  
OF INDIA**

Those sampling trips to international shores and fashion shows are passe. The new evolved fashion consumer is sufficiently fashion savvy to sieve the originals from the copy cats. A new era in fashion creation beckons, which needs much more sophisticated efforts, both in looking inwards and searching outwards.

### 184 Higher, farther and faster

The sportswear hype is burgeoning and sneakers have been the top item in footwear for several seasons. Brands such as Nike and Adidas are riding the wave of success—in terms of style and image. But what's up with Puma? A certain quietness has settled around the feline predator. That is supposed to change now.
