

# PROGRESSIVE GROCER

## COVER STORY

- 28 Marketing Mantra**  
In-store promotions open up a basket of goodies for consumers in the form of affordable price points or access to a diverse portfolio of products. At their end, both retailers and brands get visibility, build a clientele, scale up their brand equity, and generate sales

## FEATURES

- 18 Progressive Views**  
Healthier, seasonal, gourmet and convenience products can bring additional sales to the dairy department
- 20 Interface**  
Dr. A Jayathilak, Chairman, Spices Board of India, elaborates on the ideation behind their retail store
- 24 Interface**  
Dr. Aayushman Gupta, CEO, Best Foods Limited, shares information about the brand
- 26 Interface**  
Nitin Seth, MD, G.D. Foods Manufacturing, talks about their Tops and Royal Taste product range

## PRODUCTS

- 38 Fresh Produce**  
Restaurants and supermarkets are selling mushrooms like never before
- 40 Coffee**  
Coffee is encouraging brands to launch exotic ranges
- 44 Beverage**  
Soda sales may be slipping, but noncarbonated offerings still supply plenty of excitement
- 46 Beef**  
Getting more value out of beef
- 48 Snacks**  
Produce plays a leading role in America's surging healthful snack trend

## NON-FOOD

- 52 Vitamins**  
Vitamins and nutritional supplements can help boost a store's immunity to dips in wellness sales
- 54 Shaving**  
Bigger and better retail promotions needed to capture POS purchases
- 56 E-Cigarettes**  
Retailers who invest in new tobacco segment await the effect of regulations

## PRODUCT WATCH

- 58 The Spice Trail**  
The evolving Indian spice market has emerged as an attractive avenue for investment
