# BACK TO FRONT: CUSTOMER IS KING, DRIVER, TEACHER FOR RETAIL

As smartphones and an Internet generation force businesses to reinvent rules of the game, IMAGES Retail takes a look at how customers and technology are raising the stakes for retailers in India

JANUARY 2014

# CONTENTS

- 14 **INTERNATIONAL ROUNDUP**  
When it comes to wooing customers, global brands seem to be going all out and leaving nothing to imagination, and this encapsulates brands across spectrum
- 18 **NATIONAL ROUNDUP**  
It seems that the wholesale cash-and-carry business is getting a whole new momentum in India. On one side if Tesco is all set to strengthen its position in India via its partnership with Tata controlled Trent, Metro Cash & Carry has embarked on an expansion spree
